MEMORANDUM FOR THE RECORD

SUBJECT: Contents of MISC 5 - Draft outline for History of DDP,
Feb 62-July 67

25X1

1. The author, Tom Lucid evidently planned this outline for a proposed history, and then asked several co-workers to comment on same before he started to either write, or get some of the input directly from the people he was writing about, (the Deputy Directors of DDO) during this time frame.

2. The 18 pages of outline start with the Helms era, Jan 62-Apr 65; go to the Fitzgerald era, June 65-July 67; and then end with the Karamessines era, July 67-_____. Each era was to be broken into 5 main parts, covering:

- Part I The Helms Era
- II Personnel, Division of Work & Makeup of DDO
- III The Deputy Director's own patterns and working methods. Daily Briefings/Meetings and his role on the hill.
- IV The Political, Military, Economic highlights of the era.
- V Advancement of DDP towards greater clandestinity

3. It appears that one person did make pencil notes on the outline in the margins, but there is no other indication that the history was developed beyond this point.
